

DEEP ROOT /UNIVERSAL EGG RELEASE

Release Notes for ROOT039 7" vinyl

- DUB CONFERENCE SERIES PART 6

Abassi All stars in collaboration with Deep Root present the sixth release in the DUB CONFERENCE 7 inch release series which will feature collaborations between Abassi All Stars and many of the serious dub producers of the globe. This release features the sounds of Ital Noiz from Roma, Italy alongside Abassi. The theme of the series is to take a co-written tune and have it mixed by each production team, presenting the results as a 7 inch release. .

Release Date 28th June 2010

The 7" release has EXCLUSIVE mixes that will not be featured on any other release with an Abassi dub cut on the A side and an Ital Noiz cut on the flipside.

This 7" release is a limited edition release as always on Deep Root. These tunes already have UK and German radio air play and sound system play on Iration Steppers, Vibronics, King Shiloh, Jah Tubby World System and perch's Abassi Hi

Power systems

This release is on SILVER vinyl.
